*"What a great day!
We met a lot of new people, made some exciting connections and had some really valuable conversations with people working with sustainability across Scandinavian healthcare."*

"Not so Nordic....."only" in the NCSH conference. Presenters and collaborators from the EU Commission, India, Canada, France, the UK and many other countries, all aiming for more sustainable healthcare."

8th Nordic Conference on Sustainable Healthcare

1 October 2026

Malmö Arena Hotel
Malmö, Sweden

"Thank you Nordic Center for Sustainable Healthcare for bringing together such an interesting mix of professionals around a common theme for 3 intensive days."

*"What makes this conference special is the mix of people from across the Nordics (and increasingly from across the world) and that it brings together academia, companies, non-profits and the public sector around one shared challenge: **how do we make healthcare more sustainable?**"*

"We came home with new insights into what the healthcare sector actually needs and how they want to fit into day-to-day hospital operations."

*"Thank you NCSH and TEM for another great conference!
Always inspiring to see people from all over the world coming to the Nordic Center for Sustainable Healthcare to meet and exchange ideas."*

"What an inspiring and successful day at the 8th Nordic Conference on Sustainable Healthcare in Malmö!"
