

8 SEPT 2020

DANISH TECHNICAL UNIVERSITY
THE GLASS HALL
COPENHAGEN

How can we reduce the climate impact of the healthcare sector?
What can we do on a national and international level for a more sustainable healthcare?

Join and discuss topics such as:

- Energy efficiency and climate smart solutions
- Sustainable procurement
- Waste management
- Circular economy
- Pharmaceuticals in waste water
- ...and much more

This and more will be the focus of the Nordic Conference on Sustainable Healthcare 2020.

The 4th

NORDIC CONFERENCE ON SUSTAINABLE HEALTHCARE

Join us for a one day conference and meet professionals from all over the world to discuss the latest developments on environmental sustainability in healthcare.
