

8 SEPT 2020

DANISH TECHNICAL UNIVERSITY
THE GLASS HALL
COPENHAGEN

**NEW OPTION:
ONLINE participation**

How can we reduce the climate impact and increase sustainability performance of the healthcare sector? What can we do on a national and international level for a more sustainable healthcare?

Join and discuss topics such as:

- Circular healthcare
- Non-toxic healthcare
- Climate friendly healthcare
- Resilient healthcare
- Smart healthcare
- Good examples and practices of sustainable healthcare from the Nordics

This and more will be the focus of the Nordic Conference on Sustainable Healthcare 2020.

This event will take place both at DTU in Copenhagen, and online.
